ROHDE&SCHWARZ

München, November 2022

Kundeninformation zur REACH- Verordnung
- Verordnung (EG) Nr. 1907/2006 vom 18.12.2006 -

Lieferung nicht chemischer Produkte

Rohde & Schwarz liefert ausschließlich nicht-chemische Produkte (Erzeugnisse).

Zudem soll aus den von Ihnen bezogenen Produkten kein Stoff unter normalen und vernünftigerweise vorhersehbaren Verwendungsbedingungen freigesetzt werden. Somit spielen die Pflichten nach Art. 31 und Art. 32 hier keine Rolle.

Information über Stoffe in nicht-chemischen Produkten

Die Kandidatenliste gemäß Artikel 59 (1, 10) der Verordnung (EG) Nr. 1907/2006 („REACH“) wird unter https://echa.europa.eu/ publiziert.

Die Fortschreibung der Kandidatenliste wird von uns regelmäßig überprüft und bewertet.
Produkte die SVHC-Stoffe enthalten, finden Sie in der SCIP-Datenbank, welche von der ECHA bereitgestellt wird.
Sofern die von Ihnen bestellten Produkte SVHC-Stoffe der aktuell geltenden Kandidatenliste zum Bestellzeitpunkt enthalten, stellen wir Ihnen eine entsprechende Übersicht dieser Artikel zur Verfügung. In diesem Dokument sind die jeweiligen SCIP-Nummern und der jeweilige SVHC-Stoff enthalten.

Zur Absicherung der Lieferkette und im Interesse größtmöglicher Produktsicherheit fordern und verfolgen wir die Umsetzung von REACH auch auf Seiten unserer Lieferanten. Die Sicherstellung der REACH-Konformität ist Teil unseres Lieferantenqualifizierungsprozesses.

Diese Angaben sind nach bestem Wissen und Gewissen gemacht worden.
Bei Anfragen steht Ihnen der Customer Support unter der customersupport@rohde-schwarz.com zur Verfügung.

ROHDE&SCHWARZ

Munich, November 2022

REACH customer information
- Regulation (EC) No. 1907/2006 of December 18, 2006 -

Delivery of nonchemical products

Rohde & Schwarz delivers only nonchemical products.

In addition, the products you purchase from Rohde & Schwarz are not supposed to release any substances under normal and reasonably foreseeable conditions of use. Consequently, the obligations in Article 31 and in Article 32 are not relevant here.

Information about substances in nonchemical products

The candidate list according to Article 59 (1, 10) of Regulation (EC) No 1907/2006 ("REACH") is published at https://echa.europa.eu/.

The update of the candidate list is regularly reviewed and evaluated by us. Products containing SVHC substances can be found in the SCIP database, which is provided by ECHA.
If the products ordered by you contain SVHC substances of the currently valid candidate list at the time of order, we will provide you with a corresponding overview of these articles. This document contains the respective SCIP numbers and the respective SVHC substance.

In order to safeguard the supply chain and in the interest of the greatest possible product safety, we also demand and monitor the implementation of REACH on the part of our suppliers. Ensuring REACH compliance is part of our supplier qualification process.

This information has been provided to the best of our knowledge and belief.
If you have any questions, please contact Customer Support at customersupport@rohde-schwarz.com.

Rohde & Schwarz GmbH & Co. KG
