# REGULAR SERVICE MEETINGS

## Keep in touch worldwide

Regular annual service meetings with customers to review their current service delivery status include information and discussions about open and closed support requests. The regular service meetings can be held at customer facilities, at Rohde&Schwarz or in online web conferences.

In addition to the regular service meetings, ad-hoc consulting missions are also available.

### Benefits

- ▶ Support availability over the entire lifecycle
- ▶ Forecast planning for system updates and maintenance activities
- ▶ Case-by-case communications between Rohde&Schwarz support team and customers
- ▶ Evaluation of possible performance adjustments and potential updates
- ▶ Progressive analysis of current service performance and system status
- ▶ And other services
